

Camp SummerFest 2010!

**COME CELEBRATE 17 YEARS OF HEALING CHILDREN
...with an evening of Dining, Music and Dancing**

*Camp SummerFest 2010 in Old Town Torrance invites you to support
Paul Newman's Scott Newman Center and the Rowdy Ridge Gang Camp*

TORRANCE, CA. – The Depot Restaurant's Chef Michael Shafer and Anza Event Rentals invite you to the annual **Camp SummerFest** celebration for actor/philanthropist **Paul Newman's** the Scott Newman Center and Rowdy Ridge Gang Summer Camp. Rowdy Ridge is a specialized summer program for women and their children who are addiction and abuse survivors that teaches life skills that are critical in order for them to avoid reentering abusive lifestyles and relationships, and **Camp SummerFest** is an essential component in Rowdy Ridge's continued success.

This warm, close-knit celebration of sponsors, donors and community who believe that giving is an essential part of the human experience, generates much needed support for rebuilding families devastated by domestic violence and drug abuse. With that in mind, Chef Shafer has designed a casual yet sophisticated dining experience for friends and families – as well as a silent and live auction and other festivities that people can enjoy while they learn about the camp.

Auction items include vacations, spa treatments, sports events tickets, sporting goods, wine, memorabilia and collectibles, fine dining, and much more. There'll also be live music and dancing from Ramfunkshus and a host bar of beer, wine and martinis.

The Scott Newman Center is also proud to announce the generous support from the following **sponsors**, without whom this magical event would not be possible:

Robert H. Palmer, Attorney at Law, Sean Robert Ryan, Exxon Mobil Corporation and Continental Development Corporation.

For more information about becoming a sponsor please contact the Scott Newman Center.

We hope you will join us and spread the word about this important evening – our success means brighter futures for the women and children in our community who deserve to know a better tomorrow.
